Elisa and Alonzo,

I like your proposal. We've taken it a bit further. Here is a comparison of MALDEF's proposal to a suggestion we think might work a bit better. MALDEF's option is shown in color and our suggestion to do the same thing on the same template is shown in outline form as an overlay.

The HVAP numbers under the 2 plans:

MALDEF

AD 8 60.10

AD 9 53.00

Our Alternative

So this takes the same principal and improves it slightly on the numbers. Importantly, the MALDEF proposal would result in changing at least four other assembly districts in the present legislation, while this alternative would not cause those other unnecessary changes. As a result, I think the legislature could move to your suggestion—with our small changes.

Let us know what you think.

The hearing is on Wens., and if you would be willing to speak on behalf of this, we can then make sure you are on the agenda and the plan is given complete consideration.

Jim,
Alonzo is out this morning and won't be back until this afternoon.

In regards to the MALDEF map, we will go with the recommendation you made last night.

As for tomorrow, we are unfamiliar with the process. Does it have to be oral testimony or can it be written? Any suggestions you can give us will be greatly appreciated.

We definitely need to speak today. Please let us know when you think we can have a call after your meetings.

Thank you.

Elisa,

I am meeting with legislative leaders this afternoon. Can we talk later this morning? The hearing will be tomorrow at 10 a.m. in Madison, and so, to the extent we can, we would like to insure that the concerns of the Latino community are addressed. This morning I asked staff to consult with our Legislative Reference Bureau on these alternatives as they must ultimately draft any amendment.

Let me know what works.
